

Freezer Cabinet with compressor TH KA 070M (T0TH.80070F.0)

SKU: TH KA 070M

- **Construction:**Stainless steel AISI 304
- **Ergonomic design**for easy use and maintenance
- **Thermostat:**Built-in electronic thermostat for precise temperature control
- **Defrosting:**Automatic system with electric resistances
- **Functionality:** Buttoned magnetic rubbers for absolute sealing
- **Shelves:**3 shelves with corresponding supports
- **Sockets:**For GN 2/1 or two GN 1/1
- **Capacity:** 640 L
- **Insulation:**High-performance polyurethane density
- **Cleaning:**Easily removable rack guides
- **Hinges:**Reset for automatic door closing (Right or Left)
- **Adjustable feet**
- **Cooling:**Forced air circulation system for uniform temperature distribution
- **Ecological refrigerant:**R290
- **Temperature adjustment:**External thermometer and thermostat with adjustment from -21°C to -18°C

Dimensions: 70 × 80 × 209 cm

Weight: 123 Kg

GN Trays: 2 (1/1)

Capacity:

Lower Temperature (C): -21

Higher Temperature (C): -18

Product Description

The professional stainless steel freezer **TH KA 70M** is the ideal choice for any professional space that requires precise preservation of frozen products.

Made of **high quality AISI 304 stainless steel**, it combines **durability, elegance and functionality**, meeting the needs of any professional space.

▪ Flexibility in storage & Ergonomics

The chamber can accommodate GN 2/1 or two GN 1/1, giving more possibilities in organizing your stocks. It has 6 racks (3 on each door) offering organized and flexible storage.

▪ Safe and comfortable use

The doors with snap-on magnetic rubbers ensure absolute sealing, while the **ergonomic handles** offer **safe closing and easy handling**

▪ Precise temperature control & efficient defrosting

The built-in electronic thermostat offers precise temperature control, while the automatic defrosting system with electric resistances ensures continuous and efficient operation.

▪ Flexibility

The **adjustable feet** allow for **height adjustment** for comfortable positioning.

▪ Sustainability

The use of the **ecological refrigerant R290** underlines our commitment to a **sustainable future**.

The **TH KA 70M** is the reliable solution for maintaining your frozen products at the right temperatures, with top quality and performance.
